

Castle Interior & Gate House

Stokesay Castle includes flagstone patio, a gazebo, magnificent original lead glass windows, richly paneled library, piano room, two full kitchens, lounge, six bathrooms and much more. There are up stairs rooms that were at one time used for lodging including a section where the wedding Bride changed called the Monks Quarters.

Banquet room is 130' x 60' with 12' x 60' reception area, seating up to 850, Victorian décor, brass chandeliers, built in 34' bar, waterfall fountain, permanent dance floors, ADA accessible restrooms & entrances.

The **Gate House** is strategically located so that cars approaching the main entrance of the fine dining portion of the Castle pass through the gate house entrance. The gate house is used as an office and has additional rooms on the second that were at one time used as lodging.

Paved Parking for approximately 800 Cars
