To whom it may concern:

Affordable commercial roofing has done the roofing work and reconditioned the entire roof at 100 East Evergreen Ave Somerdale, NJ.

We have done an inspection of these roofs on 9-20-09 and some small repairs. All roofs at this time were in good condition with no problems or needs of repairs.

All roofs are currently under warranty for the next 4 years by Affordable Commercial roofing and the warranty is transferable to new owners under conditions of normal wear and tear of all existing roofs.

If we can be of any help to Mr. Griffin or new owners please call upon me, Nicholas Mitchell.
